

Top 5 Ways to Prepare Your Child for Transitional Kindergarten

www.TKCalifornia.org

- ✓ Read! Read! Read! Read to your child daily to build their vocabulary and prepare them for read-aloud activities in the classroom.
- ✓ Talk with your child about starting school and convey your excitement about all the wonderful things they will learn and the fun activities they will enjoy.
- ✓ Visit the school with your child and play on the playground so they are familiar, and more comfortable with, the school site.
- ✓ Play board games with your child so they can practice taking turns and following directions.
- ✓ Work with your child to practice opening and closing their lunch containers, using the bathroom and asking for help when needed.

Early Edge California appreciates the terrific teachers who provided input for this list:

- Barbara Blakley, retired Los Angeles Unified School District TK teacher
- Debra Weller, TK teacher, Capistrano Unified School District, and past president, California Kindergarten Association
- Sandy Willey, Placentia-Yorba Linda School District
